Exclusive Aftermarket Coverage

Bring Your Vehicle’s Emissions System up to Compliance

Detects the level of nitrogen oxide (NOx) greenhouse gases in the exhaust system
- Built with aluminum housing and heat sleeve to protect sensors during regeneration cycle
- Anti-seize coating pre-applied to improve system serviceability

FAILURE MODE:
- Soot contamination and delamination leads to improper sensor readings
- Failure results in check engine light or the vehicle going into limp mode

ALSO AVAILABLE: NOx SENSORS

904-6003 Inlet Sensor
Blue Bird, Freightliner 2012-10; Sterling 2010 (Cummins ISB Engines)

904-6004 Outlet Sensor
Various Cummins ISB; ISX Engines 2012-10

904-6006 Outlet Sensor
Various Cummins ISB Engines 2018-13

904-6011 Inlet Sensor
Blue Bird, Freightliner 2018-13; Navistar 2018-14; (Cummins ISB Engines)

904-6029 Outlet Sensor
Ram 2500 2017-14, Ram 3500 2017-15, Ram 4500 2017-16, Ram 5500 2017-16 (Cummins ISB Engines)

904-6030 Inlet Sensor
Dodge Ram 2500/3500/4500/5500 2016-13, (Cummins ISB Engines)
