Magnetic Ride Shock Absorber

NEW!

949-701
Cadillac Escalade, CTS 2014-08, Chevrolet Silverado, Suburban 2014-08, GMC Yukon 2014-08

Pop Code: B

MAGNETIC RIDE SHOCK ABSORBERS

Electromagnetic fluid damping responds to changes in road conditions and performance needs in 1/1,000 of a second on vehicles originally equipped with this option

• 100% new construction with no core charge or return
• Installs like any standard shock absorber with no set-up, programming or adaptation to perform
• Maintains the value of vehicles originally equipped with this high-performance technology
• Restores vehicle safety, performance and comfort, especially when towing or hauling heavy loads

FAILURE MODE:
• Original shocks leak with wear and age resulting in loss of ride control

Loaded Knuckles

LINE EXTENSION

698-412 (Right) | 698-413 (Left)
Ford Explorer 2010-06, Mercury Mountaineer 2010-06

Pop Code: C | VIO: 452,962

THE MOST COMPREHENSIVE COVERAGE IN THE LOADED KNUCKLE AFTERMARKET

• Covers high failure-prone knuckles, bearings, and hubs
• Full bolt-on repair solution that cuts labor time by two hours
• No press needed to remove bearings

FAILURE MODE:
• The original knuckle fails due to rust and collision damage, resulting in knocking and uneven tire wear

Engine Variable Valve Timing (VVT) Solenoid

LINE EXTENSION

916-886XD
General Motors 2017-06, Isuzu 2016-08

Pop Code: C | VIO: 5,581,504

OE PROBLEM:
Excessive internal part movement results in premature wear and poor performance in original unit.

Dorman’s design contains a stronger copper center tube which limits internal part movement; eliminating premature wear and improving part durability.

FAILURE MODE:
• Oil sludge build up and electrical failure, results in rough idle, loss of power and illumination of the check engine light

Coolant Thermostat Housing Assemblies

LINE EXTENSION

OVER 200 SKUS AVAILABLE

902-782

Pop Code: C | VIO: 190,777

ONLY AVAILABLE IN THE AFTERMARKET FROM DORMAN

• Engineered to match the fit and durability of the stock housing assembly on specified vehicles
• Designed to withstand extreme temperature changes and resist cracking and leaking
• Thermostat, sensor and gasket included for a complete installation

FAILURE MODE:
• Original plastic housing becomes brittle and cracks; thermostat or sensor failure results in coolant leaks and overheating

AFTERMARKET EXCLUSIVE! ONLY AVAILABLE IN AFTERMARKET FROM DORMAN

**HVAC Heater Blend Door Actuator Gear Kit**

LINE EXTENSION

Connects the temperature door actuator to the temperature control door

- Save time and money by replacing the damaged gear, instead of the entire blend door assembly
- Direct replacement for original equipment design

**FAILURE MODE:**
- Failure results in the inability to adjust the HVAC temperature

**926-133**

Dodge Durango, Jeep Grand Cherokee 2018-11

Pop Code: B | VIO: 1,887,566

---

**HVAC Heater Hose Assembly**

LINE EXTENSION

**OE PROBLEM:** The original heater hose typically fails due to the plastic material of the connector, which eventually cracks and leaks over time.

**UPGRADE:**
- Clamps and protective sleeve included for a complete installation

**FAILURE MODE:**
- Original plastic connector cracks over time and results in coolant leaks and loss of pressure

**626-620**

Ford F-150 2014-11

Pop Code: B | VIO: 698,788

---

**Console Lid**

LINE EXTENSION

**OE PROBLEM:** The original console lid typically breaks and shatters in the center, resulting in an expensive replacement.

**UPGRADE:**
- Upgraded the thickness of the console lid for increased durability and a longer service life.
- Padded vinyl cover matches the original equipment interior

**FAILURE MODE:**
- Wear and tear replacement part; failure results in lid not closing properly

**925-002**

Chevrolet Blazer 2004-98

Pop Code: C | VIO: 458,136

---

**Door Applique**

LINE EXTENSION

**ONLY AVAILABLE IN THE AFTERMARKET FROM DORMAN**

Restores original appearance to B-pillar

- Replacement door pillar trim matches the fit and finish of the factory trim
- Mounting hardware included for a complete installation

**FAILURE MODE:**
- Warping, cracking, panel missing or no longer aesthetically pleasing

**926-445**

Chrysler Town & Country, Dodge Grand Caravan 2016-08

Pop Code: B | VIO: 1,906,602

---

**Parking Brake Lever Kits**

LINE EXTENSION

**ONLY AVAILABLE IN THE AFTERMARKET FROM DORMAN**

Engages parking brake shoes

- Coated for high corrosion resistance and long-lasting durability
- Direct replacement for original equipment design

**FAILURE MODE:**
- The original lever seizes due to corrosion, resulting in an inoperable parking brake

**926-295**

Ford 2011-03, Lincoln 2011-03, Mercury 2011-03

Pop Code: C | VIO: 1,005,135

---

**Instrument Cluster Bezel**

LINE EXTENSION

**ONLY AVAILABLE IN THE AFTERMARKET FROM DORMAN**

Matches the fit and finish of the stock bezel to restore the dashboard’s original appearance

- Mounting clips included for a complete installation
- Excellent customer service opportunity that customers may not be aware of

**FAILURE MODE:**
- Original dash bezel warps and cracks with age

**926-469**

Pop Code: C | VIO: 841,434
