NEW MUST-SEE SOLUTIONS

A/C Hose Assemblies

**TIME SAVERS**

**PROBLEM:** When factory rear A/C lines fail on certain vehicles, direct replacement with a one-piece line can be time-consuming and frustrating.

**FIX:** These multi-piece, time-saving Dorman OE FIX A/C lines are made of aluminum and reinforced rubber, with threaded fittings, for a simpler, leak-free repair.

Chevrolet Tahoe 2014-07, GMC Yukon 2014-07

**ALSO NOW AVAILABLE:**
926-998
Chevrolet Suburban 2014-07, GMC Yukon XL 2014-07

Engine Oil Pump Flow Control Valve

**MONEY SAVER**

**PROBLEM:** Oil pump flow control valves often fail from varnish build-up, and the original manufacturer requires replacing the entire oil pump assembly.

**FIX:** This Dorman OE FIX valve is a money-saving solution that allows you to replace only the failed valve.

Chrysler 2015-11, Dodge 2014-11, Jeep 2015-12, Ram 2014-13

Engine Valve Covers

**FIRST-TO-AFTERMARKET | NOW 50+ PARTS AVAILABLE**

Now you don’t need to go to the dealership to get replacement valve covers for more than 2 million popular GM and Chrysler vehicles.

Each design is rigorously tested, with precise dimensional measurement, third-party material testing, and long-term on-vehicle testing to help ensure no leaks or oil consumption.

**ALSO NOW AVAILABLE:**
264-929

Engine Timing Cover

**IMPROVED DESIGN**

**PROBLEM:** The original equipment timing cover on many Chrysler vehicles leaks when the plastic water outlet fatigues and cracks.

**FIX:** This Dorman OE FIX timing cover is an upgraded design that features an aluminum water outlet for greater strength and durability.
